

## Planman Technologies join hands with Strictly Spanish

**Planman Technologies**, leaders in educational publishing solutions have teamed up with Strictly Spanish, leader in K-12 Spanish editorial development and translations. This partnership aims to offer a broader range of services to educational publishers while providing high quality, cost effective publishing solutions and services in English and Spanish languages.

“**Strictly Spanish** array of Spanish Translation services and 20+ years of experience in this field makes them aptly suited to be partnered with. Their expert Spanish language translations and/ or adaptations would help our customers by expanding their products’ reach into the Spanish market. Strictly Spanish is a company that brings to the table an extremely rich experience of working with top- of- the- line educational publishers for a long time. Their expertise in handling time constraints and adding value to their client’s organization will be immensely valuable in this association,” says **Orville Dykes, Director of Publishing Services, Planman Technologies**. says Orville Dykes, Director of Publishing Services, Planman Technologies.

“Planman Technologies vast market experience, impressive range of capabilities, attention to detail and quality have placed them at the forefront of the production and page composition segment and make them a perfect company for Strictly Spanish to partner with in order to be able to offer our clients the benefits of a complete editorial/ production solution. This association works because it brings together two very strong companies staffed with highly experienced people who share a common goal — passion for quality! For our clients, the workflow will be seamless and will look and feel like they are dealing with just one company,” says **Susana C. Schultz, Senior Managing Director and Vice President of Editorial at Strictly Spanish**.
